## Shared Offering

The Shared Offering recipient for January is **Action for Community and Environment (ACE)**. ACE builds the power of communities of color and low-income communities in Massachusetts to eradicate environmental racism and classism, create healthy, sustainable communities, and achieve environmental justice. It is a movement of people who have been excluded from decision-making that confronts power directly and demands fundamental changes in the rules of the game, to achieve a healthy environment. ACE is led by the constituents it serves in Roxbury, Greater Boston and Massachusetts, and its youth empowerment program, REEP, has become a model for nurturing youth leadership in the environmental justice movement. ACE also mobilizes legal and scientific resources in support of organizing strategies and has helped neighborhood groups statewide to block ethanol trains, trash transfer stations, dirty diesel exhaust and asphalt plants. ACE's T Riders Union works for transit justice, including an MBTA Youth Pass. ACE led the advocacy that resulted in the Massachusetts Environmental Protection Executive Order, and has pioneered strategies for environmental justice advocacy that have radically redefined the environmental movement nationwide.

## Safe Congregation

At First Parish we covenant to welcome all people to the table, to nourish and serve each other and to respect and honor the inherent worth and dignity of every person. To achieve these goals it is essential that we maintain a safe environment that protects children and adults from harm while fostering their spiritual growth. We encourage anyone who has witnessed or experienced verbal, sexual or physical abuse at First Parish to contact the appropriate team (adults and children respectively):
